Additional Information

Now in our second decade as a celebrated community resource, the Lake Forest Park Farmers Market has grown into one of the most successful suburban markets in Washington. With 45-50 weekly vendors, the market attracts between 7,000 to 9,000 shoppers per market day.

The market is presented each year by Third Place Commons. In 2008, Third Place Commons partnered with Northwest Hospital to set up a large community tent in the middle of the market. The space was immediately popular with shoppers looking for a place to rest, get out of the sun, enjoy lunch, and chat with each other as well as representatives of different organizations.

A day sponsorship at the market is great way to meet market visitors and promote your business or organization. If you are interested in taking advantage of this opportunity, please contact Kate Lunceford via email at kate@thirdplacecommons.org, or leave a message at 206-366-3302.

The market runs every Sunday, rain or shine, from Mother's Day (May 14th this year) to the third Sunday in October (Oct. 15th this year), from 10am to 3pm. We hope you will join us as a day sponsor!

Town Center Merchants will have priority reservations at the market through Friday, Feb. 24, 2016. After that, Day Sponsorships will be opened up to the larger community.

Due to the popularity of this program and our desire to provide opportunities to a wide spectrum of community businesses and nonprofits, there will be an initial **limit of one sponsorship reservation per business/organization per season**. Dates may be released for second reservations during the course of the season pending availability. Please let us know if you're interested in additional dates.
